<sup>1</sup> Of course, counsel is aware that as a faithful servant of the Court, he must be present at the Court's beckon call. Therefore, this notice is not so much counsel telling the Court when he can't be present; but rather, counsel is providing dates of unavailability with the idea that the Court would take them into consideration when setting hearings.

**CERTIFICATE OF SERVICE**

I, LOUIS ELIAS LOPEZ, JR., hereby certify that a true and correct copy of the foregoing instrument has been e-mailed to the United States Attorney's Office, pursuant to the electronic notification requirement under the cm/ecf electronic filing system on June 13, 2017.
